MEMORANDUM FOR : Deputy Director for Operations

FROM : S. D. Breckinridge

SUBJECT : Recommendation for Award for [REDACTED]

1. Forwarded herewith is a formal recommendation for the award of the Intelligence Medal of Merit to [REDACTED]. If some of the language is unusual I consider it quite appropriate in this case. I intend to write some letters of appreciation and a few commendations for the performance of some of those with whom I have worked in this, but this recommended award is intended to recognize a unique performance.

2. I do not have all the papers required for submission of such a recommendation. While I have the Fitness Report and Reviewing Officer's comments in August 1977, I do not have a copy of his Biographic Profile. It would be appreciated if you could have your people complete the package for appropriate review and action.
